# ORIENTATION—84

---

Orientation for the Class of 1984 took place in late September as the new students gathered for four days of lectures, workshops and tours of the campus.

The 1980 freshman class resembles those preceding it in several ways: the average grade point was 3.4, while the combined average of S.A.T. scores was 1060. A significant portion of the class (49 percent) hails from private high schools, and of the 850 students enrolled, 83 percent are from California. Twenty-eight (28) states and 25 foreign countries are represented by this class alone.

There were however a couple of statistical changes this year. The ratio of men to women this year (53 to 47 percent) differed from last year's approximate ratio of 50-50. Ethnic minorities constitute 21 percent of the freshman class, a figure slightly higher than last year's and above the national average for public and private institutions.

As many as 75 percent of the 1980 freshman class indicated Santa Clara as their first choice because of academics, size and location.

# FOOTBALL 80

Do you believe in Cinderella? Well if not, the 1980 Santa Clara football team may have changed your thinking. To say the football season was a good year would have been a drastic understatement. Head coach Pat Malley and his squad climaxed years of effort by finally reaching the NCAA Division II Playoffs.

The season outlook was optimistic as the squad assembled in late August. The offensive line was back virtually intact, quarterback Dave Alfaro was on hand after leading the nation's Division II passers the previous year, a full set of running backs were available, and the defense was solid. But no one understood the substance of this team at the time.

The Broncos were faced with San Jose State as their opener on September 6th. As usual they were big underdogs, but except for some costly turnovers the Broncos may have won the game. The final score of 28-14 did not indicate the closeness of the game. Alfaro hit 12 of 23 passes for 165 yards, and fullback Keith Pedescleaux ran well; but the Broncos spark was provided by reserve quarterback Mike Heinrich who ran the option to perfection, scoring once, and setting up a Pedescleaux one yard plunge for another score.

On September 13th the Broncos took out their frustrations on Humboldt State as they bombed the visiting Lumberjacks 41-14. The first of many injury problems were solved when junior Tony Gahee filled in for Pedescleaux at fullback and contributed a 37 yard touchdown run. Pedescleaux would not return the rest of the year because of damaged cartilage in his knee, but Gahee found a home as a blocker, runner, and receiver. Kicker supreme Brian Sullivan hammered field goals of 21 and 47 yards; and tight end Phil Otterson caught a pair of touchdown passes from Alfaro.

Hayward State was next on the Bronco schedule, and despite a sluggish offense, Santa Clara ripped the Pioneers 33-6. Alfaro teamed with highly recruited JC wide receiver Perry Parmelee for a school record 88 yard scoring play; and Perry also grabbed a 33 yard TD toss from Heinrich. It was an indication of the Bronco power to win that easily on a sub-par evening.

On September 27th it was Homecoming against Chico State, and SCU escaped with a 17-10 win. The kicking of Sullivan (82 yard punt for a school record, and a 35 yard field goal), plus two Alfaro TD passes to Otterson and Parmelee keyed the offense. On defense super frosh Mike Zinda had five sacks, and fellow linebacker Dave Ramona made 12 tackles in a crushing performance.

The Broncos second road game of the year was a crucial test at Cal-Poly Pomona. Sophomore running back Tyrone Forte had his best game of the year to this point when he rambled for 121 yards in 27 carries. He also scored three times on short runs, while Sullivan nailed field goals of 39, 38, and 35 yards. Zinda made the big plays again on defense when he compiled 4½ sacks, while safety Doug Vierra had 15 tackles and a big interception. The final was 30-14, and SCU was 4-1.

---

# HOMECOMING

---

*“BEDLAM  
IN  
BRONCOLAND”*

After a 42-28 loss at home to Cal-Poly, SLO the following week, it appeared Santa Clara's possible playoff chances were irreparably damaged, especially with three straight road games coming up. The Broncos played well enough offensively against the Mustangs, but couldn't stop the visitors. Alfaro was brilliant with 18 of 33 in the passing department for 355 yards and 3 TDs. Forte ran for 108 yards on 20 carries, and Parmelee gave an indication of things to come when he caught 9 passes for a school record 264 yards. Ramona led a valiant defense with 16 tackles, but it wasn't enough.

The next weekend on October 25th, SCU met the highly emotional St. Mary's Gaels at Moraga in the annual Little Big Game. It was Homecoming at SMC, and the Broncos were outplayed for a half when they trailed 3-0. But the second stanza was a different story. Alfaro, who had been 0 for 8 in passing the first half, completed 11 of 15 for 175 yards after the intermission, and Tyrone Forte had the greatest day of any running back in school's history when he rambled for 243 yards in 31 carries, 195 of those in the second half. He scored a record-tying four touchdowns, including a brilliant 58 yard dash in the third quarter that broke the game open. The final was 27-16, and SCU was back in control.

On Saturday night, November 1st, the Broncos faced their toughest task. They traveled to UC-Davis for the biggest game of the season to date. It boiled down to a gutty defensive effort against the Aggies on the final drive of the game. Zinda, who had blocked an extra point and a field goal earlier in the game made a big sack and forced a fumble with the ball on the Bronco 20 to save the game. Offensively SCU controllable the game. Alfaro had a brilliant night and Parmelee caught 10 passes including two scoring tosses. Reserve running back Jim Lane came off the bench and ran for 81 yards in the final quarter, and score the winning TD on a 9 yard run. All of a sudden SCU was 6-2 with a chance for post-season play.

At Cox Stadium on the San Francisco State campus, the Broncos faced an improved Gator squad on November 8. Both Forte and Gahee were injured in the first half, and things looked bad in the third quarter when the Gators scored twice to tie the count at 17-17. But once again Lane, Alfaro, Parmelee, and this time soph. corner back Andy Schatzman rallied SCU. Lane rambled for 130 yards on 30 carries, including three touchdowns, Alfaro and Parmelee combined four times for 149 yards in the second half, and Schatzman picked off two passes to thwart drives. Sullivan added field goals of 27 and 25 yards, and SCU had a big win 34-20.

The final regular season game became a big one. In the afternoon of November 15, the Broncos learned that their closest competitor for a playoff spot, Nebraska-Omaha, had lost to Northern Colorado. Thus the finale at home against Cal-State Northridge was paramount.

It quickly became no contest. At the half it was 35-7. Forte had been forced to play fullback at 5-10 and 165 pounds because of Gahee's injury, but he handled the situation easily. Lane ran for 207 yards in 20 carries, the second best day in Bronco history, and Forte added 91 in 16. The issue was never in doubt, and the Broncos carried Pat Malley off the field when the final gun went off. The score was 42-13 and everyone played. It was on the the playoffs.

They opened against the number two team in the country, Northern Michigan, on Thanksgiving Weekend, November 29. It may have been one of the best games ever played at Buck Shaw Stadium. With a huge crowd on hand, the fans were treated to aerial fireworks from both Alfaro, and NMU's standout QB, Phil Kessel. In a classic see-saw battle, Alfaro outduelled his adversary by hitting 25 of 33 for 321 yards and three scores. Parmelee was on the receiving end of nine for 127 and one TD. In the final quarter super-sub Jim lane scored the winner on a two yard run with just

over five minutes left, and then the defense stopped the visitors on downs in the final minute. It finished at 27-26 and there was bedlam in Broncoland.

The final game of the year saw SCU visit Cal-Poly, SLO in the NCAA Division II semi-finals. It wasn't meant to be a Bronco win. The Mustangs forged to a 17-7 halftime lead, and took the air out of the Santa Clara balloon when they intercepted an Alfaro pass and returned it 83 yards for a score. It came on fourth and one gamble, and the Broncos eventually lost 38-14.

The season had concluded but it had been a great one. The final record of 9-3 didn't tell the story about all the injuries that had been overcome, or the extreme efforts people had given to beat Davis and San Francisco State to get to the playoffs. Sullivan was named to the Kodak All-American team, Ramona was an honorable mention AP All-American, and Alfaro was the first team Academic All-American QB. That was all frosting on the cake for Pat Malley and Santa Clara's finest hour since the glory days of yesteryear.

# Men's Cross Country

---

The Men's Cross-Country team improved light-years over the 1979 version of the cross country squad. In 1980, the Bronco cross country squad posted an 11-1 conference record, while being 11-3 overall. The 1980 version of the harriers took second place in the WCAC Championships, and twelfth out of eighteen teams at the National Catholic Collegiate Cross Country Championships, held at the University of Notre Dame.

Who are these men, and how did they do it? The first part of the question is easy to answer; the second is not so obvious. Seniors Gerhard Behrens and Larry Eder, along with Junior Dan Greco led the squad, (with the support of Sophs Dan Crowley, and Art Lemos) to the superb finish of the 1980 season. The reason that the squad ran so well in 1980 was multi-level; on one level, the squad possessed incredible team unity, on the other level, was the head coach, Dan Durante. If any one person should be commended for the success of the 1980 cross country squad, it would have to be Dan. His ability to devise workouts that would not only callous and test the runner, but also intensify the unity of the team has matured over four years of coaching at SCU. Congratulations to Dan Durante and the 1980 Men's Cross Country Team!

By LARRY EDER

# Men's Soccer

---

It would be safe to say that 1980 was a rebuilding year for the usually strong Santa Clara soccer team. Most schools would be satisfied with a 10-9-2 record, but at SCU bigger things are normally expected.

The problem was that the core of 1979's Pacific Soccer Conference champions, and NCAA team had graduated. No longer were All-American Mike Hunter, Miguel Avila, Scott Douglas, Gregg Reynolds, or Fabian Proano on the field to provide the experience and leadership SCU needed to win.

It was a team that was forced to rely on young talent that had potential but little experience. Defender Steve Fechner, mid-fielder Tim Fritz, and the fine senior combo of Dev Rendler and Mark Abele were the cornerstones of Dave Chaplik's squad.

The season started with a tie in the Olympia Gold Classic held at Buck Shaw Stadium against Seattle Pacific, one of the top Division II teams in the country. However SCU lost 1-0 to cross-town rival San Jose State on the second day of the tournament.

From there it was a long string of success with a 4-0 win over BYU, 6-1 over St. Mary's in the PSC opener, 3-0 past Sonoma State, 3-0 over Nevada-Reno, and then a tough 2-1 loss at Westmont in Santa Barbara that broke the string.

Following the loss they beat Cal-Poly, SLO 2-1 and in the biggest win of the year downed USC on ESPN-TV by a count of 2-0. A pair of 2-1 wins over Hayward State and Cal-Berkeley; and a 1-1 tie with UC-Santa Barbara kept the Broncos on a roll, but then the roof caved in.

The Broncos dropped a tough 2-1 decision to San Diego State, lost at home to Fresno State, 2-0, and were beaten at Stanford 4-1. They knocked off Sacramento State in a laughier 13-0, lost 3-2 to Chico State, and beat UOP 6-0. But the final three games of the year were big disappointments as USF downed them 3-0 before over 3,000 fans at Buck Shaw, UCLA stopped them 2-0, and they lost a heartbreaker, 1-0 for the second time in the season to San Jose State. It made the year a bitter sweet experience, especially for Chaplik who announced his resignation before the last game.

The play of Rendler and Abele was outstanding all year. Mark scored 7 goals and added a record 17 assists for 31 points, while Rendler tied with Dave Benton for most goals with 9 and contributed 5 assists for a total of 23 points. Both were accorded All-PSC honors.

One area that hurt the Broncos was in goal. Both Chris Sigler and Jeff Carroll were fine keepers, but the injury bug caught each of them at one time or another, and with SCU's lack of consistent scoring punch, the burden was placed on them throughout the year.

Defensively Steve Fechner and Cam Ackerman played well all year. Frosh Mark Hunter, Mike's brother showed flashes of brilliance as he and Mark Jennings were two of the few freshman starters in the league.

# Women's Volleyball

---

Santa Clara Women's Volleyball enjoyed its best season in history finishing 17-17-2 to compliment its most competitive season.

The 1980 season started out with an impressive showing at the annual UC, Davis Tournament, where the Broncos proved they would be contenders in the Fall campaign. Wins over Reno, Irvine and Cal Poly, Pomona in the preseason made head coach Mary Ellen Murchison anxious for the NorCal season to get underway.

Led by sophomore hitter Ann Feeney and JC Transfer Alynn Squier, Santa Clara played with fire and inspiration, qualities the team had never possessed. Following easy wins over St. Mary's and San Francisco State, the Broncos took their talent to the Pacific Northwest and their first ever out of state competition at the University of Oregon Invitational. Consistent hitting by junior Peggy Castaldi and the continued improvement of Karen Lyffyt took the Broncos to the championship match before losing to host school Oregon in an emotional battle. Sophomore Kathy Magnani, a sophomore setter, came off the bench behind injured Peggy Hutchison to play one of her most outstanding games in the championship series.

Injuries plagued the roster and the coaching staff was forced to go to the bench for untapped talent. They were pleasantly surprised as the Broncos won a game from national power UOP and again defeated USF at War Memorial Gym.

Playing in the last game of her college career, senior Brigid Modena played one of her most awesome games in the Broncos first ever win against San Jose State to mark the end of the season and the coming of age of a new era for Santa Clara Women's Volleyball.

# Dean Giacomini

---

After nine years as Student Services administrator, Vice President George Giacomini retired at the end of the academic year, and returned to the History department as a tenured, Associate Professor.

"There is a difference," said Giacomini, "between being Vice President for Student Services and Dean of Students. That may be a reason why I haven't enjoyed the last couple of years so much. As Vice President you are expected to be much more of an administrator. If you don't have a Dean of Students, somebody has to be doing that kind of work, too.

"I don't like to think that there is a necessary conflict between Student Services and academics. Yet I don't think I'm an ivory tower person, by any means. I'm not the profound thinker. I think I am reasonably scholarly, and perhaps academically inclined."

"It's a question of regret, and more the anticipation of doing something I am really anxious to get back to doing, and on a full-time basis."

# Men's Basketball

---

The prospectus at the start of the season was anything but promising. The Broncos had lost the bulk of their scoring and rebounding with the graduation of WCAC Player of the Year Kurt Rambis, guard Lon-dale Theus, and forward Gary Carpenter. What was left was part-time starter Garry Mendenhall at one guard, 5-10 senior John Kovaleski at the point position, and three year letterman Ted Whittington at forward. They were the only players with much starting time.

It was a small lineup throughout the '81-82 season. Whittington at 6-7 was the tallest regular, and 6-6 Kelvin Bowers was forced to play the middle, with 6-7 frosh Michael Norman and 6-6 soph. Gary Hopkins, along with 6-4 JC transfer Derryl Williams and 6-5 soph. Cecil Morris in support roles.

The back court had Mendenhall, Kovaleski, junior redshirt Bill Duffy, and junior Tony Gower.

The year started with an auspicious road debut at Boise State. The Broncos singed the nets the entire night, winning 100-87. Duffy's first varsity game at SCU saw him score 24 points, and capture 11 rebounds. After an 88-71 loss to top-ranked DePaul in Chicago, the Broncos found themselves in the close game syn-

drome that would be with them for the rest of the season. They were unimpressive in a 68-66 win over Humboldt State, and then came the first of many heartbreaks. After leading most of the game at Long Beach State, they succumbed in the final minutes 73-72. Kovaleski played well in picking up a career high 14 points, while Norman showed his great promise with 10 rebounds.

It was more of the same several days later when SCU hosted Nevada-Reno at Toso. After falling behind early, the Broncos came back to take a 71-70 lead with several seconds on the clock, but Reno's Mike LeGarza canned a 20 footer from the left corner at the buzzer and it was loss number three in five games, two by one point. UOP downed SCU at Stockton 87-76 despite Duffy's second straight 22 point night, and 13 rebounds from Whittington.

The Cable Car Classic at Toso saw the home squad matched against another of the nation's finest team in unbeaten Wake Forest of the ACC. Derryl Williams put on a great show in a tremendous comeback during the latter stages of the first half and most of the second. It wasn't enough as the Deacons prevailed 75-66. That

sent the home team against powerful Old Dominion in the consolation game, and for most of the contest it looked like a Bronco win. Mendenhall as 21 points, but again a last second shot went awry and SCU was 2-6 after a 72-71 loss. The team had now lost three one-point contests.

The Broncos fattened up in their next five games prior to the start of the WCAC season. They beat New Mexico State 81-76 as Mendenhall canned 21, while Bowers dominated the boards with 10 recoveries. Then it was a 106-59 slaughter of Wisconsin-Superior as everyone scored and Norman scored 18 points and added 11 rebounds. San Francisco State fell in a 70-62 decision as Duffy led the scorers with 18. Then it was another closer than expected win, 71-70 over UC-Davis as Duffy and Mendenhall each had 14. Finally North Texas State was routed 95-83 as the Duffy-Mendenhall show popped for 18 apiece and Bowers helped control the boards with 9.

The league season started with disappointment at Loyola-Marymount. The Broncos fought from behind to tie the score at 75. They had the ball with 15 seconds left but turned it over and the Lions' Danny Davis hit a desperation half court shot as time ran off the clock to win it 77-75. Mendenhall, becoming very consistent

with each game, scored 19, while Bowers in a superb performance scored 17 and swept the boards 15 times. The following night at Pepperdine, the Broncos stayed in it for a long time before falling 91-82. It was Mendenhall again with 23 who paced the attack.

Things didn't look good as SCU was 0-2 with USF arriving for the traditional war on January 23rd. But in one of the great games all year, SCU sliced the Dons to ribbons with their patient offense and aggressive board work. The Dons fell 70-63 in front of the usual rabid gathering of over 5,000 fans. Mendenhall (who else?) had 21, while Bowers added 13 and 9 rebounds. Norman, in his first start of the season scored 8, had 8 rebounds, and blocked 5 shots.

The following night SCU kept it going by trouncing the hated Gaels of St. Mary's 83-66. Mendenhall scored 19, while Derryl Williams and Norman added 17 each. The Broncos were on a roll, and kept it that way as they bombed both Gonzaga and Portland the following week 75-61 and 95-87. The Portland game was a great effort. Mendenhall had 18 in the Gonzaga win, while Norman scored 19 against the Pilots. SCU stood 4-2 now and kept it going with a 64-60 win at San Diego the following weekend. Mendenhall with 19 paced the attack.

The road trip to the Northwest was frustrating on February 12th and 14th. The Broncos faced tough Gonzaga in Spokane for the first game, and played terribly for a half, falling behind by as many as 10. In the second stanza it appeared over when they trailed by 13 with four minutes to go, but a fierce pressure defense and the shooting of Duffy and especially Mendenhall finally gave them the lead at 73-72 with 25 seconds to go. The Bulldogs ran the clock down, took the shot, and missed; but a foul was called on Whittington and GU's Ken Anderson hit both free throws for the win. Videotape replays showed no foul had been committed and Bronco coach Carroll Williams was frustrated.

On Saturday, the 14th, SCU got back in stride with a 72-65 win at Portland. Bowers had 17 points and 10 rebounds to lead the way.

Then it was a crucial weekend series at St. Mary's and USF. Despite Norman's 18 points and 3 vicious slams, the Broncos fell 82-79 to the Gaels, and the record slipped to 13-10 and 6-4 in league. It got worse as USF played its best game of the year in a 90-63 victory in the City.

Pepperdine, in a fierce battle with the Dons for the league title, came away from Toso with an 89-78 win the following Friday, despite a career high 27 points from Mendenhall. Loyola made it a bad weekend as they eked out a 78-77 win at Toso in overtime. It was the fifth loss of the season by one point, and the 7th by three points or less.

Finally in the season ender, the Broncos closed out the campaign with an 80-74 win over out-classed San Diego. Williams had a season-high 20, and Norman, who had grabbed 12 rebounds in each of his last two games, picked off 8 in this one.

The season ended at 14-13 overall, and 7-7 in WCAC play. It had been frustrating, but not because people didn't play hard. Mendenhall was an easy choice for the All-WCAC squad, while Norman was runner-up as Freshman of the Year. With a few right bounces it could have been much better.

# Women's Basketball

---

Following a frustrating history of close losses and discouraging defeats, the 1980-81 Santa Clara Women's Basketball Team rose from mediocrity to finish the season with a 14-14 record, the best ever in the history of SCU.

Steady improvement and a 'never say die' attitude, helped to make the Broncos a contender in every outing. Success is the word one uses to describe overcoming difficulties and the Broncos proved this year that they could take any opponent to the limit.

With five returning starters, who exemplified the words 'determination' and 'hard work', the Broncos opened the season with a 3rd place finish at the highly regarded Cal Poly, SLO Invitational. Sophomore Lu Ann Gores began her year with impressive performances at San Luis Obispo; enough to earn her an all-tournament player honor. Junior Liz Bruno continued her rebounding flurry grabbing 44 rebounds in the 3 games of the series. Santa Clara returned home to host their own Holiday Classic with guests Fullerton, San Francisco State and San Jose State to finish the field of contenders. Santa Clara lost the opening round to Fullerton, but came back the following night to take third place over San Francisco State garnering all-tournament honors for Bruno and Gores. In the preseason, Santa Clara has a four game win streak going before being upended by Washington State.

Along with Gores and Bruno, who extended her consecutive game team high rebounding streak to 25, the Broncos also had the talents of senior Julie Long, whose leadership and fiery character made her one of the Broncos most spirited floor leaders, Terri "Tex" Reade, Karen "Radar" Ulmer, the 'Santa Maria special's' rounded out the starting line-up for the Broncos, but head coach Ken Thompson could count on defensive specialist junior Penny Stack along with Terri Forsell to help out the team in key situations. The recruits, Caren Choppelas and Camille Peterson saw plenty of playing time too during a year when the younger players might not have seen a lot of action.

Santa Clara defeated power New Mexico State in an impressive win prior to the opening of their 1981 NorCal campaign. Inconsistency was the Broncos biggest problem, being unable to make the clutch baskets. Defense was the forte, but close losses to Fresno, Reno, UOP, Stanford and USF kept the Broncos out of post season play. They did however manage to pick up some key wins on the road including upsets at Stanford and an overtime win at UOP. The three point loss to Stanford at the close of the season would keep the Broncos hungry for revenge until 1982.

Records fell in buckets in 1980-81. Junior Liz Bruno continued her record setting rebounding pace, averaging 12.7 rpg. to take the NorCal rebounding crown from USF All-American Mary Hile. Her 12.8 rpg. overall average was also good enough to list her in the top 20 in the nation at the end of the season. Bruno's 358 rebounds this year would set a new standard for SCU, resetting her own record from the year before. Julie Long, who mainly handles the point guard duties also finished at the top of the free throw percentage category in the NorCal, hitting on an amazing 88 percent accuracy for the league. Terri Reade broke the standard for highest field goal percentage in a season, finishing just below the 50 percent mark. Julie Long's 79 assists were also good enough to rewrite the record books. Not only did the individuals break

records, but also the team with the 14-14 season broke the season scoring mark [1844] and was able to improve prior marks in average points per game, highest field goal and free throw percentages, as well as most rebounds and rebounds per outing.

With the loss of senior Julie Long, the Broncos will have to fill the 5'3" guard's shoes to key their success in 1981-82. With the graduation of opponents such as USF's Mary Hile, Cal's Colleen Galloway, and San Jose State's trio of Mason, Thompson and 'Goose' Banks, the Broncos may become even greater contenders in the year to come. The Broncos will anxiously await the opening of the new season in hopes of their first every regional playoff invitation.

# Rugby

---

The Santa Clara University Touring Side has never been much of a Northern California Collegiate Rugby powerhouse, however the 1981 season surely proved the SCUTS were no team to take lightly, as they went on to finish the season with their first winning record in over 10 years. Coach Mickey Ording developed a new type of Santa Clara team which was noted for its aggressive, hard hitting backs and swifter, more agile forwards.

The SCUTS started the '81 season with a disheartening loss to St. Mary's 15-13. However, they bounced right back with a 9-4 victory over Hastings when Chris "Curls" Fellenz stepped between two Rhino backs and dashed 45 yards for the winning try in the closing minutes. The SCUTS continued their fine play by winning their next four out of five games with victories over UC Santa Cruz 37-0, San Jose State 14-6, St. Mary's 34-11, and Bergin Hall 19-4. The St. Mary's game proved to be the best effort by the SCUTS all season as they took revenge on the Gaels at their home field in Rheem Valley. Jeff "Podo" Podesto led the SCUT attack with two tries and Dennis "Fish" Potts converted four penalty kicks, one conversion, and also scored one try. The SCUTS were forced out of Gael Land during the postgame due to excessive celebration, however "Fast" Ed Reily was able to camouflage himself and stay a little longer. The next week the SCUTS traveled to Cal to take on the defending national champions, but were unable to stay afloat in the rain and lost 20-6. Then the Mission Club, made up of SCUTS Alumni from years past, paid a visit to Ryan Field and won 22-10. Santa Clara ended the regular season with a victory over the SJSU Spartans on a late game try by Gary "Wheaties" Wheatley.

The 1981 SCUTS Eastern Tour was not without its highlights either. Although they were unable to defeat the hosting teams, they had no problem dominating the post game parties at George Mason University in Virginia, the Naval Academy in Annapolis, and West Point in upstate New York. Jim "Cabbie" McFetrich came home with the prestigious Ted Upland Award, beating out Chuch "Gorilla" Buckingham who came up just short. Paul "No clue" Martin and Jeff "Barstool" High won the lowly Kevin Baskin Award for missing their connecting flight in Columbus.

In Annapolis the locals took advantage of the naive SCUTS as they proceeded to offer excessive amounts of libation and then steal their backpack containing all their money and plane tickets, while the SCUTS were face down. However, as their fearless leader Dennis "Darts" Cahill said "The tour

must go on!" So with their pockets empty, the SCUTS headed up the Atlantic Coast for a three day stint in the Big Apple. Greg "Handsome" Frey, Eric "Loopner" Lummis, and Tim "Surfs up" Lenihan had their hands full at a Marymount Hawaiian Party and barely escaped with their leis. The SCUTS ended the tour with a brief bowling match by Juan "Pot Shot" Corella on their way to the airport.

After a two week layoff, the SCUTS started their tournament play with an unprecedented Consolation Championship in the Santa Barbara 64 team tourney. After losing their first game, the SCUTS went on to win their next four games over USC, Cal Poly Pomona, Claremont College, and Redlands.

Lastly, there cannot be a Rugby season without an Annual Rugby Banquet which was held at the elegant French Cuisine - Le Field House. After a brief speech by guest speaker Ross Malinowski, Coach Mickey Ording handed out the following awards: Most Valuable Player - Dennis Cahill; Most Valuable Forward - Charles Buckingham; Most Valuable Back - Dennis Potts; Most Inspirational - Jeff Podesto; and Most Improved - Gary Wheatley.

The SCUTS should prove to have an experienced 1982 team with newcomers Bill "Plebe" Cotter, Tom "Beaver" Haley, Scott "Mucas" Lucas, and Ben "Tung-gee-ayy" Fuata gaining valuable experience.

On a final note, the SCUTS would like to thank their president for getting them put on nominal status through his ingenious methods of "doing what he was told." -- Thanks Backpack.

# Special Olympics

*Let me win  
But if I cannot win  
Let me be brave in the attempt*

With this oath, more than 250 developmentally disabled teenagers and adults, participated in the 4th annual Special Olympics Basketball Tournament held Feb. 14 in Leavey Activities Center.

Sponsored annually by the SCU senior class, the Special Olympics began at 9:15 with a parade of all the athletes to the theme song from 'Rocky' - "Gonna Fly Now."

The atmosphere was one of love and caring, mixing fun and special people together.

Everyone was a winner.

# The Convocation

"We come, you and I, seeking the stars . . ." This sensitive poem by Black American writer, Langston Hughes, seems to reiterate the Christian Standard of the Mission Campus at SCU. It follows that the moral beliefs should be in the unity of *all* persons; regardless of race, creed, or colour. The bond of the human race should be the "*charity* of this Christian community." However, after a number of perverse phone calls to female members of the BSU on February 7, one begins to question the "Christian sense of Charity at SCU."

In response to these overt acts of sexism and racism, many concerned students, faculty, and staff were given the opportunity to reflect - both on a personal and an institutional level - at a Convocation dealing with racism held Monday, February 23.

Nearly 1500 members of the SCU community gathered to listen to the dynamci speaking of Dr. Carolyn Naylor, Professor of English; Dr. Brian Murphy, Professor of Political Science; Dr. John Borrego, Professor of Community STudies at UC Santa Cruz, and Dr. Gary Okihiro, director of the Ethnic Studies Program. The discussion centered on the alienated feeling which being a minority in America evokes, on the need for soul searching and personal examination when dealing with discrimination, and the theme of economic inequality due to racism. The black women who were subjected to this brutal harrassment were also lauded for their courage and determination in refusing to submit to this cruel attack.

The convocation was followed by four workshops which provided an opportunity to discuss various aspects of racism with others. The afternoon was brought to a close with an ecumenical service in the mission church.

The concern and active participation of the SCU community shows that hopefully, with time, discrimination will be erased. ". . .Being brothers, being one, Being America. You and I."

*We come  
You and I,  
Seeking the stars.  
You and I,  
You of the blue eyes  
and the blond hair,  
I of the dark eyes  
and the crinkly hair.  
You and I  
Offering hands,  
Being brothers,  
Being One,  
Being America.  
You and I . . .*

*I am America seeking the stars.  
America -  
Hoping, praying,  
Fighting, dreaming.  
Knowing  
There are stains  
on the beauty of my democracy,  
I want to be clean. . .*

*I want to reach always  
After stars.*

AMERICA  
Langston Hughes

# KSCU

## *CHANGE AND PROGRESS*

Change and progress -- two words that are occasionally synonymous and often times opposites. For campus radio station KSCU, the former has usually been the case, especially during the 80-81 school year. This past year, KSCU tightened its musical format, increased promotions, expanded air time, and received permission from the FCC to move positions on the FM band. With these successful changes, the radio station is preparing and hoping for the biggest step yet - a power increase.

# Baseball

---

The season began with problems. Jerry McClain had returned to Santa Clara to assume the reins as head coach. However the big concern was the power of the pitching staff. It became obvious as the year rolled by and injuries took their toll, that the Broncos didn't have a consistent starting rotation.

After a horrendous start the Broncos finally came alive during a lively three game series with USF. They bounced the Dons three straight times to make their record 6-8. A split with Cal, a win at Long Beach State, and two out of three against UOP evened the record at 10-10. They then lost to Gonzaga before gaining their biggest win of the year. Lefty Mike Beuder tossed a dream game at Buck Shaw Stadium as he shutout the number one team in the country, Arizona State 2-0 before over 3,000 people. He struck out 12 and allowed just two hits. It was to be the only time all year the Sun Devils were blanked in their march to the national title.

After a pair of tough losses to Nevada-Reno, the Broncos left for the Rainboe Invitational at Hawaii. It was to be another highlight as the squad finished second to the host school. They opened by losing 6-0 to Hawaii, but bounced back to down Tokyo's Nippon College 7-4, Cal-State Northridge 9-6, and in a great comeback, Nebraska 9-8. They fell to the Rainbows once again 10-2, and were upset by Nippon 8-4, but again downed Nebraska 8-6 in ten innings, and ended with a 4-3 win over Northridge to finish second. Center fielder Dave Oliva was an All-Tourney selection.

Upon their return, SCU took two out of three from St. Mary's to start the second half of the Northern California Baseball Association race, before losing two out of three to USF. They then beat Berkeley 7-2, and lost two of three to power-hitting Nevada Las Vegas.

They upped their record to 23-20 with a three game sweep of UOP, paced by catcher Rick Sundberg and pitchers Kevin McKenna and Bryan Funk. It left them 6-3 in the NCBA second half, and ahead of the pack with 9 games left in the league schedule.

After a split with San Jose State and Cal, they suffered the killing blow of the season as Nevada-Reno swept them three times on the road. From there the Broncos managed just two wins in their last twelve games to finish the campaign at 28-33, with a 15-21 NCBA record. Catcher Kevin Walters led the hitters with a .333 mark, while Oliva set a school record of 32 stolen bases. Second baseman Gary Davenport was first team All-NCBA choice, and set school marks for most assists in a career. He also batted a steady .300. Catcher Rick Sundberg was a second team All-NCBA selection with Walters and Oliva, and pitcher Beuder, who was injured in the middle of the season, struck out 69 batters in 55 innings.

# Reaching Out

---

After many weeks of hard work and preparation by SCCAP volunteers, a special mass to honor the disabled was celebrated by Bishop Pierre Du Maine of San Jose on Wednesday 13, in the Mission Church. This mass of "hope and happiness" reflected the community feeling prevalent at SCU, as Santa Clara County members and officials attended. There is a special significance to the mass as 1981 is the International Year of the Disabled.

Santa Clara athletes once again hosted a "Play Day" for the mentally handicapped on Ryan field. Members of the football team were on hand to supervise special clinics - teaching football techniques and playing scrimmage games with the athletes.

The happy smiles of all those involved, the loving hugs so freely given, and the warm comraderie make this annual event so very special and looked forward too.

Well this is it. Thanks go to everyone who helped, even if I forgot to mention you.

Thanks go to Jeff Jones for selling ads and being a sem choice roommate. Kudos to Mike McNulty and Michele Gunn for writing the sports. Trophies go to the head worm Jim Diepenbrock and Alfredo Muccino for getting me into this thing. Heavy waves go to the family for their major go-offs, which I idolize. Special thanks to J.R. Meyers for being a great rep and to Dean Giacomini for his support. Acknowledgements to the rocket, Bob Raybuck, for his good high speed jams on the typesetter. You can blame him for the typos. Thanks also to Fr. Coz and Jim Giles for taking some of the better pictures in this book.

On the technical side, the copy is set in California and English Times, and the headlines are in Oracle and Souvenir. The color prints are by Fine Arts Color Lab, and the book was printed by Josten's American Yearbook Company.

As you may have noticed, this book is very strong on the photographic side. *The 1981 Redwood* is based on the theory that the pictures tell the story. As one former editor said "If you want to read something, look at *The Santa Clara* or *The Owl*. If you want good pictures look at *The Redwood*. The pictures tell the story." Look at the pictures. There's a story in every one.

One final note. A very special thanks to Kathleen Reiley and Terry White for their dedication and creativity, and for making this all come together. It's all you.

*The Rig*

# DEDICATION BEN SWIG

This 1982 edition of the *Redwood* is dedicated to a very special man; Benjamin Swig - philanthropist and great benefactor of USC.

Swig was personally responsible for fund-raising millions of dollars for libraries, theatres, classrooms, laboratories; also donating 2 million dollars himself for the general endowment fund. By his example, in the words of Father Rewak, he has taught us "to examine how we employ our talents and our resources in the service of society. Because he has done what we hope our students will do, we have always considered him one of the greatest teachers at Santa Clara."

Benjamin Swig, dead at the age of 86, will be greatly missed by all. The much loved benefactor will be remembered as the man who gave his heart and time so selflessly to the University of Santa Clara.
